**1/4 Page** — 3.6" x 4.875"

An important message to advertisers: Ad material must meet explicit requirements in order for Carmel Magazine, Inc. to deliver the high quality our advertisers deserve. Please review all advertising copy policies against your ad to ensure quicker processing and avoid unnecessary processing charges. For information on having Carmel Magazine, Inc. prepare your ad, please contact your representative.

## Acceptable Files and Software

All ads must be submitted in high press/high quality PDF format only. PDF/X-a pdfs or equivalent will be accepted. In the rare occasion where the original working file needs to be submitted, only InDesign, PhotoShop, and Illustrator will be accepted. Include any hi-res images and acceptable fonts if needed. (Acceptable fonts and photo requirements explained further on this page).

NOTE: For Illustrator files, please convert fonts to outlines. Although Carmel Magazine, Inc. makes every effort to use the latest versions of design software, we cannot guarantee that all releases and formats submitted by clients will be compatible with current applications used by Carmel Magazine, Inc.

## Licensing Disclaimer for Images and Fonts

Files must include high resolution images (300 dpi or higher) and all screen and printer fonts. For all other supplied fonts or digital images, in consideration for running ads provided digitally, advertisers and their agency(s) warrant that all fonts and images have been licensed by the advertiser or agency and that use by Carmel Magazine, Inc. for the purpose of reproducing the ad is permissible under the license agreement. Also, the Publisher, Carmel Magazine, Inc., will be held harmless and be indemnified by the advertiser/agency from and against any and all claims, demands, suits, actions, proceedings, recoveries or expenses including reasonable fees of council selected by the Publisher arising under the limited use of supplied fonts and/or images for the sole purpose of publishing the advertisement with which the font(s) or image was supplied.

## Type

Black type must be 100% black only – not a CMYK. Borders and rules should be 1 point or heavier. No coupon borders are permitted (i.e. perforated).

## Colors

Use only process colors (cyan, magenta, yellow, and black) **NO RGB**. All SPOT colors or Pantone colors need to be converted to **CMYK**.

## Digital Preparation of Photographs

All images must be at a final resolution of 300 dpi. Place all images at 100% (enlarging your image will decrease the overall resolution and quality). Images should be converted to CMYK and converted from JPEG to EPS or TIF format.

All alterations should be made in PhotoShop. Photographs should be sharp and have a good contrast range.

## Submitting Photographs or Artwork

Photographs must be taken at a high resolution (300 dpi) or be scanned at 300 dpi. Line art must be scanned at 1000 dpi and must be either JPEG, EPS or TIFF format.

NOTE: Art galleries that require color match, please submit a CMYK photographic continuous tone print with each digital image. No ink-jet prints will be accepted as match proofs.

## Color Proofs

Camera-ready advertisements must be accompanied by a proof that accurately represents the color in the ad file. The proof should have color bars that conform to SWOP standards of Y=1.00, M=1.40, C=1.30, and K=1.65. Crop marks should be offset at 24 pt., so that they will not appear within the image area. Examples of acceptable color proofs: Fuji Pictroproof, Scitex Iris, Kodak Approval, Rainbow Dye Sub, 3M Digital, and Matchprint. No ink-jet prints will be accepted as color-match proofs.
